

# Beach Holiday

Rosie and Jack are on holiday at the beach. It is a hot day and the sun is shining. Rosie's mum has made sure that they all put on sun cream, wear hats to shade them from the sun and have water to drink. They are having fun playing ball games and building sand castles. Jack has drawn a picture of their day but has not been able to finish it. Can you help Jack complete the picture by colouring in the following:

- Ball = Red
- Rosie's Hat = Blue
- Bucket = Orange
- Sun = Yellow
- Water Bottle = Blue
- Sun Cream = Pink

When playing out in the sun we must protect ourselves by wearing sun cream. The sun is very powerful and can burn your skin even when it is not hot.
