

The Human Body

Sam is at school learning about the human body. Can you help Sam link the image of the body parts to its correct name?

- Knee
- Eye
- Elbow
- Legs
- Nose
- Arm
- Foot
- Hand

Dot to Dot

Today Jack is with the Air Ambulance Paramedics but before they can go to an emergency they need to create the helicopter. Can you help Jack dot to dot the numbers together to create the helicopter?
