

NHS TDA Accountability Framework - Board Statements

For CLINICAL QUALITY, that	YES/NO	Evidence
1 The Board is satisfied that, to the best of its knowledge and using its own processes and having had regard to the TDA's oversight model (supported by Care Quality Commission information, its own information on serious incidents, patterns of complaints, and including any further metrics it chooses to adopt), the trust has, and will keep in place, effective arrangements for the purpose of monitoring and continually improving the quality of healthcare provided to its patients.	Yes	Trust Board & Committee Structure including independent Audit Committee Trust Board Review of Effectiveness, June 2014 - facilitated by Internal Audit benchmarked against the 4 domains of the 'Well-led framework for governance reviews: guidance for NHS foundation trusts' (Monitor, 2014) - will inform Board Development Plan. Trust Development priorities submitted to TDA on 30 September 2014 Committees' Review of Effectiveness - facilitated by Internal Audit for each of Audit Committee, Jan 2014; Quality Committee, April 2014; and Finance & Investment Committee, April 2014 Board Assurance Framework & CRR (reported to Trust Board 3 x per annum) Significant Incidents & Lessons Learned Report (reported to Trust Board 2 x per annum) Annual Report, Annual Accounts & Disclosure Statements, Quality Account, Annual Governance Statement Board Memorandum on Quality Governance, External Audit Report For Those Charged with Governance Risk Assessment Framework 2014/15 published Aug 2013 updated March 2015
2 The board is satisfied that plans in place are sufficient to ensure on-going compliance with the Care Quality Commission's registration requirements.	Yes	NHS TDA Accountability Framework 2015/16 Standing Orders/Standing Financial Instructions Integrated Business Plan: 2014/15 - 2018/19 Clinical Quality Strategy: Delivering Excellent Services 2012-15 Quality Governance Action Plan (incorporating CQC report / action plan from July 2013 inspection and NHS TDA Quality Visit September 2013). Outcome 9 - compliance confirmed by CQC Actions relating to outcome 14 have been completed and this was confirmed to CQC in August 2014. Full CQC inspection is scheduled for 13-16 January 2015 and draft report expected in May 2015 Quality & Risk Profiles reported in the Integrated Performance Report Infection Prevention & Control audits (IPR and mid year report to Quality Committee) Stakeholder Engagement & Communications Strategy Duty of Candour/Being Open Policy Complaints & Raising Concerns Policy Integrated Inspection process and schedules: incorporates all aspects of the CQC standards. All stations and standby points are scheduled for yearly inspections with dates agreed with the Locality Managers who accompany the Standards & Compliance Directorate managers on the inspections. Inspections led by band 6 and 7 members of the risk and safety team.
3 The board is satisfied that processes and procedures are in place to ensure all medical practitioners providing care on behalf of the trust have met the relevant registration and revalidation requirements.	Yes	Annual Organisational Audit (Doctors' Revalidation) approved by Trust Board, July 2014 Professional Registration and Membership Policy including GMC, NMC, HCPC including automatic referral and/or Trust checks for disqualifications policy in place. Professional Registration and Membership (Doctors, Nurses, Paramedics, Accountants & HR professionals) are monitored by HR, with automatic notification by the relevant professional body of renewal requirements for individual members of staff. Non-conformities are reported to the member of staff's Line Manager by HR; clinicians removed from patient facing duties; and the HR risk register updated as appropriate. The Quality Committee receives assurance of the Trust's Risk Register processes, feeding through the Committee Chair to Board. Professional registration and Membership investigation and disciplinary matters are reported to the Incident Review Group, reporting to Quality Committee and then to Board (as above) where appropriate.
For FINANCE, that

8 The necessary planning, performance management and corporate and clinical risk management processes and mitigation plans are in place to deliver the annual operating plan, including that all audit committee recommendations accepted by the board are implemented satisfactorily.	Risk	<p>IFK Audit Committee Action Logs / Minutes DF&P Mid year review to Trust Board, September 2014 & annually thereafter. Performance Review Meetings TMG Terms of Reference reviewed/approved, April 2014 to ensure workplan aligns with key risks to delivery of strategic objectives; TMG reports to TEG. Performance against the 8 minute Red target is currently below the required trajectory and therefore the Trust has put in place a two-stage quality monitoring arrangement to review delayed responses over a specific threshold. This approach and outcomes of the review process is reported weekly to the Trust Executive Group, which in turn provides regular reports to the Trust Board. CCG commissioned Good Governance Institute review of YAS's performance turnaround plan. The report has now been received and has been considered at a Board Development Meeting on 16 December . A Board to Board meeting with Commissioners was held on 28 January 2015. A second stage GGI review has been commissioned by CCGs.</p>
9 An Annual Governance Statement is in place, and the trust is compliant with the risk management and assurance framework requirements that support the Statement pursuant to the most up to date guidance from HM Treasury (www.hm-treasury.gov.uk)	Yes	Trust Board & Committee Structure incl independent Audit Committee 2013/14 Annual Governance Statement in place, approved by the extraordinary Board meeting in June 2014
10 The Board is satisfied that plans in place are sufficient to ensure on-going compliance with all existing targets as set out in the NTDA oversight model; and a commitment to comply with all known targets going forward.	Risk	<p>Five year IBP One - year Operating plan Performance Review Meetings DF&P Mid Year Review to Trust Board in Sept 2014 and annually thereafter. Integrated Delivery meetings with NHS TDA. Performance against the 8 minute Red target is currently below the required trajectory and national standard. The Trust is implementing a performance recovery plan and expects performance to improve in Q3 in line with the agreed recovery plan trajectory. Discussion ongoing with Commissioners on how penalties may apply in relation to delivery of the recovery plan trajectory.</p>
11 The trust has achieved a minimum of Level 2 performance against the requirements of the Information Governance Toolkit.	Yes	<p>The Trust has achieved level 2 against the IG toolkit. There are robust Action plans in place led by the IG Manager to ensure compliance is maintained. IG reports to QC Internal Audit (IA) Review of Information Governance IA of IG Toolkit</p>
12 The board will ensure that the trust will at all times operate effectively. This includes maintaining its register of interests, ensuring that there are no material conflicts of interest in the board of directors; and that all board positions are filled, or plans are in place to fill any vacancies.	Yes	<p>Board Development Plan Register of Interests maintained, reported to Audit Committee twice annually; reported to Trust Board annually. Executive Director of People and Engagement appointed Sep 2013 Executive Medical Director appointed Oct 2013 Executive Director of Operations resigned August 2014; interim arrangements are in place with Associate Medical Director undertaking the role; plans to fill the position substantively are in place. Interviews for Executive Director Operations scheduled 6 May 2015.
