BoD25/09/11.4	PUBLIC	2025.09.25	Annual Emergency Preparedness, Resilience and Response (EPRR) Report 2025 In Section 7, Amanda Moat commented that the public disorder events do not come to any committees and sought assurance whether these need to be included for notifiable events to the Finance and Performance Committee.	David O'Brien	Jan-26	Update Jan 2026: The Trust's involvement in and response to public disorder events would most likely involve an operational response from 999 Operations or, in some circumstances, via EPRR arrangements including specialist teams such as the Special Operations Response Team (SORT) or the Hazardous Area Response Team (HART). Assurance regarding 999 Operations, EPRR, SORT and HART are included within the remit of the Finance and Performance Committee. It follows that Trust involvement in and response to public disorder events would be reported as a notifiable event to the Finance and Performance Committee. This will be made explicit in the Finance and Performance Committee Terms of Reference when these are next reviewed.	RECOMMENDED FOR CLOSURE
